

**NEWS RELEASE
CITY OF MANSFIELD**

Tim Theaker, Mayor

For Immediate Release

Date: January 13, 2021

Contact: Mayor Tim Theaker
419-755-9626

Subject: City Building Reopening

Mansfield, OH-- We want to thank the citizens and our employees for being patient while we work through this pandemic. We are continuing to monitor the ongoing COVID cases in Central Ohio and adhering to safety recommendations. Effective Monday, January 25, 2021, the Mansfield City Municipal Building will be open to the general public. Some offices may still be operating with limited staffing so we strongly encourage visitors to call ahead before coming into the building. You can access the city directory at <https://ci.mansfield.oh.us/city-directory/>. Our employees are working diligently to ensure we are providing excellent service to our citizens during these difficult times.

Virtual City Council meetings will continue as in the recent past – online on Facebook Live.

The lobby of Utility Collections will remain closed until further notice but water/sewer payments can still be made on-line or by utilizing the drive-thru window at Utility Collections.

Our Safety Forces will continue to serve our community with no changes.

According to Presiding Judge Jerry Ault of the Mansfield Municipal Courts, if you are scheduled to appear and are unable, please contact the Courts per attached City Directory.

Residents who need to contact the Income Tax Department may do so by calling 419-755-9711.

Residents who need to contact a City Department during this period may visit the City website for the departmental phone numbers.

We appreciate your patience as we work diligently to maintain our services to this community while remaining mindful of the utmost health and safety of all of our citizens.

The City Directory is attached to this release for your convenience.
