Chairman
Bicentennial Festival Committee
Mansfield, Ohio

Dear Mr. Polhemus:

Enclosed is a Resolution from the 1976 Mansfield City Council. We would appreciate your placing this Resolution in the time capsule in the outside pillar of the new Mansfield Municipal Building.

I realize the dedication has already taken place, but Mr. McCarrick advised me you informed him there was still time to get this in the capsule.

Thank you for this opportunity to extend greetings to the citizens of Mansfield in the year 2026.

Sincerely,

Sandra L. Helsel
Clerk of Council
