NEWS RELEASE
CITY OF MANSFIELD ***Jodie A. Perry, Mayor***

For Immediate Release

Date: 11/18/2026
Contact: Ken McKee / City of Mansfield Water Repair

Subject: Boil advisory issued

Mansfield, OH-- Due to a water main repair, it will be necessary to issue a boil advisory for the following address(es):

Reform Street from Rembrandt Street to Woodville Road.
Woodville Road from Reform Street to Kinkel Avenue.

Under a boil advisory it is suggested that all consumed water be brought to a rolling boil for a full 3 minutes prior to consumption. This is a precautionary measure to be taken until samples can be tested to confirm water purity. A notice will be issued at the completion of the test.
As a standard practice the USEPA recommends the following actions to reduce possible lead exposure in drinking water:
• If water has not been used for several hours, run the tap until there is a noticeable **temperature drop. Then, run water for 30 seconds to 3 minutes before using it for drinking and cooking.** This helps flush water that may have contained lead that may have leached from plumbing. **Use cold water for cooking, drinking, and preparing baby formula**. Boiling the water will not reduce lead.**• Clean your faucet aerator regularly.**
For additional information visit drinktap.org or www.epa.gov/safewater/lead.
Any questions concerning this notice may be directed to the Water Repair Dept. during normal business hours Monday thru Friday 7:00am to 3:30pm at 419-755-9806.
